It is true that volunteering has a positive and meaningful impact on our community but you already know that it has many personal benefits for us too. Recently, many of you had participated in the event, thank you. It is what I am looking for, so let's keep the good service work up. I encourage you to continue with your service, it is of a great help. For those of you who haven't had the opportunity to participate in this service event, this is your time to, and I would like to see your attendance.

I repeat, this is a great opportunity to give some of your time and effort, and enjoy a unique chance to learn and grow stronger.

On the practical side, all Scouts in full Class A uniform, and registered adults who participate will earn **two community service hours**.

Upon arrival, please park behind the church (one street north of 190th on Armour Lane) in the back parking lot and come in through the back gate.

Just the time of the month for our troop's monthly service event!
