## Camp Chawanakee

**Contributor:** Erik Lilligren

On the first day the 24 scouts who attended summer camp met at the scout house, eager to get the exciting trip started. On the ride up we stopped to eat lunch, then drove another 2 hours to camp. We took a tour of the camp, ate dinner and then went to the opening camp fire. The next day all of the scouts started there 4 merit badges for the week. Most days consisted of getting up at 6:30, going to flags and eating breakfast, going to merit badge classes wither it was rifle or shotgun shooting, or a much less action packed class such as communications. After the classes the scouts would be able to have free time, after this we went to ate dinner went to flags and went to a camp fire. However some days were different. Whether it was getting up at 5:30 to swim in the freezing lake, swim a mile or run a mile, there was certainly enough to do early in the morning. The same is definitely to be said about the evening activities. As a troop we went to Vespers and slept for a night outside during canoe outpost. Finally on Friday we participated in Chawanadays. During Chawanadays we participated in many fun activities like reverse archery. Finally on the last day we had a early breakfast of cereal bar and headed back to the scout house were all the scouts were able to see their parents after a long and fun week at Chawanakee.

**Date:** September 1, 2016

**Location:** South Bay Community Church of the Brethren  
**Time:** 6:00 pm-7:00 pm

It is true that volunteering has a positive and meaningful impact on our community but you already know that it has many personal benefits for us, too. Recently, many of you had participated in the event, thank you. It is what I am looking for, so let's keep the good service work up.

I encourage you to continue with your service, it is of a great help. For those of you who haven't had the opportunity to participate in this service event, this is your time to, and I would like to see your attendance.

I repeat, this is a great opportunity to give some of your time and effort, and enjoy a unique chance to learn and grow stronger.

On the practical side, all Scouts in full Class A uniform, and registered adults who participate will **earn two community service hours.**

Upon arrival, please park behind the church (one street north of 190th on Armour Lane) in the back parking lot and 2come in through the back gate.

**Just the time of the month for our troop's monthly service event!**
