Shotgun Shooting Event

November 9

.....

This is a perfect chance to learn how to shoot a shotgun! Meet at the Scouthouse at 7:30am on Saturday for a one-day event. Bring money for clays and ammo. We will arrive back at the scout house at 4.

Henninger Flats Backpacking

December 12-14

.....

This amazing hike is a great way to train for longer trips and enjoy the beauty of LA. Scouts have an opportunity to hike overnight on Friday or hike up Saturday morning.

Joshua Tree Rock Climbing

On November 1st through 3rd we will be camping at Joshua Tree. Every year, Troop 849 does multiple trips to Joshua Tree National Park. Although the main focus of the trip is rock climbing, there are still many opportunities to do other activities like bouldering, hiking, rappelling, etc. In addition to all the fun activities, Joshua Tree is a great place to see beautiful sunsets and landscapes while connecting with other members of the troop. This trip is for everyone so feel free to bring the whole family.

Philmont Scout Ranch

Save the date for Philmont 2020!
This high adventure
backpacking trip is coming up
from July 26th - Aug. 9th. The
cost is \$1500. Please RSVP soon.
If interested contact Mr. Reeley.

Don't Forget! Neighbor to
Neighbor is the first Thursday of
every month and it's a great
place to earn service hours!

Bike Hike

On Saturday, October 19, many scouts participated in the Bike Hike. This year, it was located at Will Rogers Historic State Park near Santa Monica California. The trip began with a short 1 mile bike ride on Inspiration Point trail to the main trailhead. The trail was a 7 mile out and back trail, meaning it was a total of 14 miles. The steep, narrow trail, combined with the many rocks, ruts, and bumps in the trail made this trip very strenuous. The trail was also hot with very little shade. They made a 2300' elevation change across the entire trip. Some interesting views included the ocean and downtown LA. An awesome bridge and evidence of many animals made this trip very exciting as well.
